### 3 MATTERS ARISING from previous meeting

#### Defibrillators

Adoption of Grimshader Phone Box will be complete on 18 May. BT have been asked to remove the telephone as soon after this date as possible

Documents have been requested for the adoption of the Boxes in Achmor and Crossbost

North Lochs Community Association is discussing whether a Defibrillator could be located in a sheltered area outside the Community Hall in Leurbost. Training will be planned for these other villages closer to the time that the machine will actually be installed

Ranish – could look at possibly locating in/bear the bus shelter as it has solar panel to provide light

Clerk to ask Calum Murdo Mackenzie if he would be the Lead for the Defibrillator for Leurbost

Clerk to ask BT if they will fix the doors on the phone boxes we are adopting

#### Community Projects

We discussed the possibility of Community Wind Turbines – Alex reported the success of other villages on the island that have set up turbines.

Angus will try to get someone from the Tolsta or Point projects to come and talk to community council meeting to see if it is something we could take forward
