	Sarah McIver	Clerk
	Marion Wilson	
	Bruce Mackenzie	
	Alex Mackintosh	
Angus Morrison	Councillor	

Apologies:	Jo Mitchell	Vice Chair
-------------------	-------------	------------

1. WELCOME:

Robbie welcomed everyone to the meeting.

- 2. Minutes of the last meeting:** proposed by Iain Macleod and seconded by Alex Mackintosh

3. MATTERS ARISING from previous meeting

Walkway

Robbie spoke to the man who organised the Heb Way and this was special funding for a big project so will not help Mr Macleod with his idea. Clerk passed on an email about funding for pathways from Paths for All. We will wait to hear any further news from Mr Macleod about his plans

Telephone Boxes

We agreed that each village can take forward the ideas about how the phone boxes can be used

Crossbost – Marion

Grimshader – Bruce and Jo

Achmore – Donald

Marion is talking to Historical Society about whether they want to put any information in the boxes

Road Surface

Work on the pot holes and poor road surface is ongoing, more to be done and budget is very tight

Community Council Forum Meeting

Alex attended the latest meeting with Robbie. It took a long time for the office bearers to be decided at the meeting but they are now all in place. A draft constitution will be circulated (post meeting note – this has now arrived and will be forwarded on to the members for discussion at the next meeting). There are only 6 Community Councils represented at the meeting. Three of these will not be attending on a regular basis. There will be a cost of £50 to each member council to set the group up
Three members of the Transport Forum are in the group
We agreed to wait and see what happens next and for now we will keep attending

Logan Air Fare Structure

Two more fare levels have been added to the fare ladder, no further news.

Salt bins

Will be re-filled before the start of winter

4. AOCB

Correspondence:

- Merchant Navy Day – letter to encourage flying of the red ensign – passed on to the school who may still have a flag pole
- Challenge Fund documents have arrived – closing date in August. Marion has taken the forms to apply for some additional money for works to the playparks in the villages
- There is quite a lot of mess out in Loch Leurbost from the fish farms – rubbish and old drums etc, both in the loch and around the pier. Robbie will look into this
- Two emails to be forwarded by Clerk: one the Community Council Survey and the other from Marion, Community Signature results
- Donald passed on the audited accounts, signed off by Director of Finance. Current balance £3,478.99, including £1000 Admin and Social Grant from the council for 2018/19

Next Meeting:

Proposed: Weds 18 July 2018, 7pm, Sgoil nan Loch
