**Matters Arising** 2.1 **Callanish Post Office** – it was reported that everything this end has been completed. Mr David Duff has been over and said that progress is being made, but there is no confirmation of dates. It is waiting on final information from the Post Office before the application can be submitted. Following this, there is then the interview stage, then the contract, then a public consultation period (approx. 3 months)

2.2 **Bus Shelter** – this should be fixed very soon.

2.3 **Community Care Carloway** – The public consultation period has ended. There was a high response rate, and options will now be looked at. Mr Ron Culley, Chief Officer of the IJB will then make a recommendation in June.

2.4 **HHP suggested names**  
Hesperus Square – after the boat that took the lighthouse keepers to the Flannan Isles.  
Ach na Mara – meaning seafield  
Sgeir Ghlais – the name of the local area.  
The third option was chosen as this abided to the guidelines set out , this will be reported back to HHP as our suggestion.

**Correspondence** 3 Community Council Challenge Fund. To be carried over to next meeting as it gives the committee time to think of possible suggestions. Also to go in next newsletter. An initial suggestion of improvements to the Callanish cemetery wall and approach road were put forward.

**Carloway  
Community  
Association**

4 Re-development of School & Centre – deadline for letter of support has passed.

5.1 **School 20 mph lights not working again** – Cllr Fraser will follow this up.
