This meeting was called originally as a GENERAL Uig Community Council meeting. However, Mr. Macdonald deemed that the meeting was not quorate as there were not enough 'members' present**. Therefore the meeting became an Informal Discussion, the purpose of which, to discuss item 5 on the Agenda, Crown Estate Funding.

*** On checking the Constitution, this was not, in fact, the case as the minimum of three members were present.*

Crown Estate Funding

In deciding how the funds should be spent the Councillors (CnES elected members) agreed to cascade down shares of the funds to community councils.

Decision as to use of funds to be decided by Councillors by 31st May.

Suggested applications had been submitted to Alice Murray. These included -

- A housing needs analysis (UDT).
- An energy efficiency survey for the Shop/Hall (UDT).
- Two part-time officers (GHCT).
- Shed and improvements to Hall (UCCA).
- A small application from the School Parent Council.

There is a possibility that there will be the same funding amount available for next year.

The final decision as to how the money is spent lies with Mr. Macdonald.
