1	Minutes of Previous Meeting	Proposed: CM Seconded: MMK		
2	Matters Arising	Eilean Glas Parking – DFM to speak to Michael Hunter re tyres etc on roadside. Playpark – New equipment had arrived, hoped parents would help instal but now looking to Norserv to do so. NHT have confirmed they are not willing to take on the playpark. CnES have agreed to help with maintenance. Sheep – Ongoing problem but as the township fence is not secure not a lot can be done.		
3	Harris Forum	KM gave an update, mainly involved with problems with ferries and challenging the proposed timetable changes. Also mentioned Tourism issues and infrastructure.		
4	Roads	Complaint re Scottish Salmon and speeding through the village. DF will speak to the site manager in the first instance. Parking in the Caw Ruadh. Suggestion that chips be put down in the area recently cleared as it is becoming a bog. The markings on the road at Urgha Viewpoint had faded. These had been very useful in warning drivers of the blind corner and the need to keep left when heading towards Scalpay. DF to speak to Roads Dept to try and get the lines reinstated.		
5	Police Update	Roundabout at Tarbert not being used properly. DF will be monitoring closely and urged everyone to use it the correct way. He continues to struggle to get time in Harris due to demands in Stornoway. Reminded everyone of the need to be aware of fraud issues – still catching folk out.

6	AOCB	<p>CM highlighted Patient transport issues and appointments having to be cancelled on the day due to lack of available ambulance. Patient had been told to get a taxi but no help for those not mobile.</p> <p>DFM mentioned the recently refurbished helipad at Tarbert and reminded everyone there was none on Scalpay since the original one had been taken over by the fish farm at Cuddy Point. KM agreed there was a need for one on the island as the ambulance had to set down in the road the last time it was needed.</p> <p>DFM tendered his resignation at this point. MM thanked him for his contribution to the work of the CC over many years.</p>
