

**Newton** - Some buildings are in disrepair - need to be demolished and rebuilt to create an industrial area for Stornoway. Financial assistance being sought.

**SPA** - Work being carried out in preparation for the new ferry in September.

**PSDT** - Wording of the way leave agreed but not yet signed.

**WIPAG** - Children in poverty and people are sanctioned

- More susceptible to disease
- Do not learn poverty
- Likely to live in poverty as adults

Support to people who are sanctioned to give them an improved quality of life.

**Castle Grounds Project** - Take the Castle Grounds area back to what it was in its 'Hayday'. A place where people are encouraged to use for exercise and recreation purposes.

**Ionad Hiort** - Successful Fundraising Event with Andy Cameron. About to appoint a Project Officer.

**Stornoway Historical Society** - 1 book at the printers (World War I). New magazine "SY Gone BY" - hugely popular.

### *Bayview Garden Project*

Donald gave an update on the Bayview Garden Project. Hired a contractor to clear the area - top right hand corner of the garden. The ground is made up of building rubble when it was cleared.

Dug a trench through the middle to create a pathway.

Put topsoil into 2 plots. Planted both plots with early potatoes, late potatoes, beetroot, cabbage, cauliflower and onions.

Cost of ground clearance - £500

Cost of plants and materials -£100

### *Plasterfield Playpark*

Claire received a letter from the Stornoway Trust to transfer the lease to Mossend Residents Association on the condition that a £50 standing order is paid. Approved by the Committee.
