4. Matters Arising

A safety issue was previously raised regarding the Macaulay Road and Portrona Drive junction. The parking at Assaye Place from the Macaulay Road area was also highlighted. Gordon will pass the information to the police.

5. Manor and Castle Senior citizens trip

The group agreed the 9th-13th of April as the most suitable date for the trip. The group discussed ideas for fundraising and it was decided that a rota would be created for backpacking.

6. Community wind farms

Due to not owning any land it was suggested we perhaps combine with different groups across Stornoway. The money generated from the turbines could contribute towards the maintenance of Assaye Place and creating a play area in Kennedy Terrace.

7. A.O.C.B.

Gordon updated on the Council meetings held at the end of September. The facilities at Stornoway Primary were mentioned. Gordon has been emphasising the need for improvement especially for P.E classes.

8. Update on Finances The current amount is £5971.54
