Community Development

The Breakfast Club started over a week ago and Gordon reported it was well attended in the Cearns and there is now someone appointed for the Manor area.

A.O.C.B

The first issue is Bethesda being underfunded since 2007 and it has been highlighted the generosity of the community helping to plug the funding gap. Decision making lies with I.J.B and the local SNP councillors along with the other councillors are behind resolving this. There is a meeting on in November between I.J.B and the Government.

Recently there was a series of meetings regarding the pitch up at Stornoway Primary. Ideally it will be an all weather pitch which would be beneficial to the schoolchildren

Accommodation was discussed amongst the group along with fundraising ideas for December. A rota has been created for the backpacking at the end of December.
