Comhairle Councillors in attendance: Cllr Charlie Nicholson

Apologies:

Agenda Items

Letter received from Stornoway Trust

Received a letter from the Stornoway trust in regard to comments made during the 18th March meeting. It was discussed that the SCC minutes from 18th March 2021 should be amended to remove the related paragraph within the minutes. A formal apology to Stornoway trustees in regard to these comments is to be made and this should be sent via email. It was decided to copy in Bellann from CNES to the email.

AOB

A meeting was had regarding anti-social behaviour and a decision was made to have more patrols out there for this.

Angus sent an email regarding organised sessions on looked after children. They give a better overview about how we can all help.

Rae mentioned that there were 8 arrests in relation to the Perceval square toilets incident.

Community renewal level up fund. Charlie also mentioned that there was another fund that can be included alongside grant aid to infrastructure and roads; this is instead of the money from Europe.

Eric provided update that the Stornoway North development worker should hopefully be in place middle of this month. Lots of interest into this role.

Joan mentioned that it is needed to organise the AGM and to do a chair report and review of accounts. However due to treasurer changes this will be delayed to a more appropriate time.

Next meeting Thursday 17th June 2021 20:00
