Matters Arising

Community Development Worker

The committee were asked to read over the job description, job advert and memorandum to hopefully agree the details in order to get the post up and running as soon as possible.

This is a first draft of the job description so the typos will be corrected. Overall, we agreed it looks good and happy to proceed.

When the Crown Estate money comes through, BCC have decided to transfer Tong funds on a monthly basis so if any issues arise, we have some control over it and it's easier to track the under spend. We need to set money aside to purchase home working equipment.

Kathryn Lamont & Mairi Campbell from Tong and Cathy Macinnes & Andrew Morrison from Back will be interviewing the applicants.

Cathy will email Kathryn Lamont to let her know that Back Community Council are happy and approve all the documents.
